

PACT (Police and Communities Together) MEETINGS

Police and Communities Together' meetings are local events run by your Neighbourhood Police Team. Attending the meetings are one way of raising your concerns about local issues and finding out what your local police teams are doing to tackle them. Policing priorities for the neighbourhood can be influenced.

Notton is in Rural- Team 2. The details of those involved are:

Email : wakefield.rural@westyorkshire.pnn.police.uk

Sergeant 1913 Richard Steen

Ward 5 - Crofton, Havercroft, Notton, Ryhill, Walton

PC 260 Carl Hall

PCSO 214 Leanne Sammut

PCSO 206 Rebecca Liddle

The date of the next meeting will be publicised here. A recent meeting was cancelled due to the outbreak. We would encourage villagers to attend these meetings and in future hope to put minutes of the meetings on the website. We hope once the pandemic is over, the meetings will occur about every 3 months.
