

Notton Parish Council is leading on a project to have hanging baskets in the village to add some extra summer colour. Following discussions with the Highways Department, brackets will be installed on appropriate lamp posts and the hanging baskets will be present during the whole summer. The suppliers maintain them. We hope to order them for this coming June.

The Parish Council will pay for the brackets. The hanging baskets will hopefully be paid for through sponsorship from residents. The cost of a hanging basket is £60 plus VAT per annum. For another £25 plus VAT a plaque can be added for personal messages, remembrance, or sponsorship.

For anyone wishing to sponsor a hanging basket, please contact **Julia Talbot, Notton Parish Clerk**.
