

Message from Linda Sugden at StreetScene

The current national 'Stop The Drop' campaign is encouraging residents to sign up to become a 'Litter Hero' and we will supply them with their own litter pick, Street Scene refuse bags, gloves, guidance and risk assessments. All they need to do is email streetscene@wakefield.co.uk with an expression of interest, along with their name and full address and whether they would like the kit delivered to their home address or if they wish to collect from the Street Scene Monckton Road Depot.
