

Councillor Peter Taylor

Chairman

Notton Parish Council

Good Afternoon Councillor Taylor

Just to make you aware that we have some upcoming works on Chevet Lane between the Hare Park Lane and Woodthorpe Lane junctions, which are scheduled to start the w/c 12th April.

Due to the nature of the work being undertaken and the width of the carriageway, road closures will be in place during working hours to maintain the safety of both road users and our operational teams.

Please be advised that for two phases of the work (Phase 1: 12th - 16th April & Phase 3: 26th - 28th April) the diversion route is via Notton Lane/George Lane onto the A61.

In order to minimise the impact on traffic flows, the works will be limited to weekdays between 09:30 to 15:30.

Signage will be placed on Chevet Lane next week informing drivers of the scheduled closures so hopefully they can plan ahead and the diversion routes will be fully signed during the working period.

We have also created a web page with details of the closures:

<https://www.wakefield.gov.uk/roads-and-transport/chevet-lane-road-safety-works>

The above link can be shared on the Parish Council's website/social media pages to inform residents of the planned closures.

Kind Regards

Tom Spencer

Project Engineer – Highways

Communities, Environment & Climate Change
