

Date for your diary

Tuesday 29th March - Notton Pavilion - 7:00 pm

PACT meeting - Police and Communities Together

The Police and Communities Together (PACT) meeting gives you the opportunity to meet your Neighbourhood Policing Team (NPT) and have a say in how your neighbourhood is policed.

During Covid lockdowns, the NPT tried to hold meetings over the web with limited success and high levels of frustration for most of the folk who tried to join in.

Now face-to-face PACT meetings are back and it's your opportunity to speak directly with your Neighbourhood Policing Team, discuss the local issues that concern you, ask questions about how they are policing your area and agree on local policing priorities.

Leanne Sammut is our PCSO and will be attending. Leanne has confirmed that Glenda Butts from Wakefield Crime Prevention team will also be present.

No need to book. All residents welcome.
