## September 2024

### Editorial

[Dennis.Gillibrand@gmail.com](mailto:Dennis.Gillibrand@gmail.com) 01226 722527

Welcome to the latest Newsletter.

You will notice that there are 2 key new contributors. John Hicks has taken over as Chair of the Parish Council and Melissa Sclatter as Chair of the Village Hall Management Committee and also the Bonfire

. Thanks to both because without volunteers this Village would lose so much.  
We must also thank Alan Shand and Peter Taylor for their long stints in these roles.  
And a thank you to Frank Carter for purchasing new chairs for the Village Hall

### **NOTTON POST OFFICE & SHOP**

We continue to try to extend and improve the products we have on offer.

We have a new range of cards and gifts for all the dog and cat lovers in the village.

The winter/xmas range of chocolates from Choc Affair is now in stock.

Our volunteers do a fantastic job and we couldn't do without them but we are still desperate for more.

David

### **NEWS FROM THE SHOP – Notes from the Chair**

Hello everyone, I hope this newsletter finds you well, and enjoying what is left of an unusual summer.

I'm sure most of you will have noticed the shop has had a bit of a makeover over the last few months. The main change has been the new shop sign that we thought was most important, as with new developments at both sides there was a danger the shop would become visually lost. Many people have said it is a great improvement. In addition, some of the wood on the front has been replaced and painted, the newspaper box has also been cleaned and painted.

The garden has been weeded and tidied, and the plant stand has been repaired and painted. The tables have been revarnished.

I'm indebted to June Ivory who organised volunteers to do this work.

Turning now to the shop trade, it is not easy, but I'm very hopeful you will all continue to use the shop, which is essential to a great many of the residents.

Finally, I would like to pass on my thanks to all the volunteers, both for inside and outside work, David and his team, the directors, but mostly to yourselves, the customers, as without you there would be no shop.

Please keep shopping, it's your shop.

Thanks.

Frank Carter Chairman

### **NOTTON VILLAGE HALL MANAGEMENT COMMITTEE**

As newly elected chairperson I'd like to thank everyone for their help & for making me feel so welcome. I know there's a good many of you that think I'm new to the village, and in relative terms I probably still am.....but we have lived here for 20 years! Really enjoying now finally getting to know more people & getting involved in village events.

## Village Hall

The Hall's new fresh and modern look has been finished off with pictures now hung on the walls of photographs of our beautiful village and the immediate area, taken by residents. A big thank you to everyone involved in implementing the new look Village Hall.

We've also just ordered new chairs, in grey to coordinate with the new colour scheme, to replace the red ones which have served us very well for many years but were starting to show some wear and tear. I would like to record our thanks to Frank Carter for his generous donation for the purchase of these chairs

We have also recently invested in some more effective security lighting outside the hall.

Finally we have purchased a new water heater for the kitchen, after having personally spent a nervous few hours in the kitchen at the latest (and busiest) Car Boot Sale when it was repeatedly failing on us and the queue for refreshments wound around the hall and out of the front door of the Village Hall! It's true a watched kettle never boils! Money well spent I think for the number of functions that we serve hot drinks at and a long overdue purchase.

## Notton Bonfire - Saturday 2<sup>nd</sup> November

The Bonfire website ([www.nottonbonfire.co.uk](http://www.nottonbonfire.co.uk)) is set up and ready to activate, along with the link for the online purchase of tickets. Tickets will be **ON SALE FROM 1<sup>st</sup> OCTOBER**, both in the Village Shop and online. Please note it will be cheaper to get them in the shop as online purchases include an additional administration cost. Ticket prices have been held at £10 for adults / £5 for children under 10. Children aged 2 and under are free.

**PLEASE NOTE TICKETS MUST BE PURCHASED IN ADVANCE , YOU CANNOT PURCHASE TICKETS ON THE NIGHT.** Ticket numbers are limited for health and safety reasons and the event always sells out so please purchase early to avoid disappointment.

The organisation committee is in full swing and the team have been very busy, not only setting up the websites to advertise the Bonfire and for ticket sales, but completing all the upfront health and safety requirements, ordering portaloos, printing tickets, sourcing all the food etc...etc... the list is long!. As an Org Team we will make sure that everything is there and ready to go but we can't set it all up the day before and the morning of, and run the event safely on the night, on our own without your help! Our amazing Notton volunteers make it happen.

We still need helpers please on the Friday & Saturday mornings both inside the hall with catering preparation and outside with the bonfire and the signage around the village and then of course on the actual night of the event.

Thank you to everyone who has already contacted myself or other committee members with offer of help, it is very much appreciated. However we still need more PLEASE. There's a list on the noticeboard outside the post office for you to add your names to with where & when you can offer help and support or you can just text me or email me at [sclatermel@hotmail.com](mailto:sclatermel@hotmail.com).

I promise you it's good fun... and if you're new to the village a great way to get to know people and we still get to watch the fireworks too!

Thank you

Melissa Sclater

### **NOTTON CRICKET CLUB**

Notton CC have had a very positive season with just 3 games to go. We currently sit second in the league as we look to secure promotion. Some outstanding performances this season with some very high scores!

We have had mixed success off the pitch with fundraising events with a roaring success in July and a washout in May with car-boot sales and another enjoyable day for the Classic Car gathering. Our final car boot sale of the year takes place on 22nd September.

On a sad note, we lost a long time member of the club, Stephen Filtress, who sadly passed away. Steve, who has been down at Notton CC for around 30 years, has been a stalwart behind the stumps at the club for a good portion of his life.

Looking to the not too distant future, we have another fundraiser for your calendars with The Webstars rocking back to the village hall on Saturday 16th November! Tickets available from the village shop priced at £15 including light refreshments. Licenced bar available - doors 7.30pm.

Yours in Sport. Warren Schofield. Notton CC Chairman

### **THE FLAG AT THE VILLAGE HALL – BEREAVEMENTS**

The flag at the Hall can be flown at half-mast by request from bereaved families of local people. This can be done immediately after the death and/or, if appropriate, at the time of the hearse leaving the village for the funeral. In the first instance families should contact Alan Shand (07703 133392) or Peter Taylor (07746 111397) to make arrangements.

### **NOTTON INVESTMENT CLUB**

There has been an investment club in the Village for many years – we are not experts just enthusiastic amateurs . We meet once a month on the second Thursday in normal times in member's houses. If you would like to join us then you would be made most welcome. Just contact me for more information.

### **NOTTON PARISH COUNCIL**

We start with an enormous thank you to Peter Taylor who has been the Chair of the Parish Council for over 16 years and worked for the council for even longer. I am sure this will never be repeated. Fortunately, Peter is carrying on his role as councillor, and we greatly benefit from his experience and words of wisdom.

As the summer sunshine finally arrived, so the hanging baskets blossomed. We hope you are enjoying them, and, after a couple of poor years, our new supplier has done us proud. We will be continuing with this supplier. We would like to consider more, but due to budgetary constraints, we would like to re-explore sponsorship (£70) of at least some of the baskets. We will seek the views of residents in the Autumn.

**SUPPORT YOUR VILLAGE SHOP AND POST OFFICE!**

The playground equipment has recently been repainted and certainly looks a lot fresher. The timing, over which we had no control, was unfortunate at school holiday time, but it appears to have been worthwhile. We will now seek an annual clean to maintain this improvement. We recently had the annual RoSPA inspection, which suggested a few minor repairs, which have been dealt with by volunteers.

Speeding through the village and along Bleakley Lane continues to be an issue which is discussed on a regular basis. We continue to work with the police and Wakefield Council on this. We have dedicated officers who are now trained in the use of the speed gun, and, on the most recent report, it was noted that a roads policing officer issued a total of 11 tickets in just 4 hours, 10 of which were for speeding. PACT meetings continue and dates will be on forum and website. (<https://notton-pc.gov.uk>)

Yorkshire Water are to carry out drainage works in the Hudson Av/Oval/Bleakley Avenue area and near the pumping station at Smawell Lane to reduce the foul water overflows into Gill Beck in storm conditions. We are told that these works may be undertaken this winter.

Dialogue continues with Northern PowerGrid regarding possible future activity, to continue the good work already done to prevent power loss in the village.

Just to remind residents that the 5 village volunteers who sit on the Parish Council hold meetings on the 1st Thursday of each month, except August, in the village hall. Residents are welcome to attend. They can also contact the clerk or councillors by e mail, telephone or via the website. We do monitor the WhatsApp group and take concerns to the meetings and report back when appropriate.

John Hicks Chair

### **NOTTON PASTURES**

The Pastures continues to be well maintained and the grazing licence is operating smoothly. In August the committee members and a small number of volunteers worked their way around the community meadow and the bottom edge of the pastures and cleared around all the planted whips, the majority of which are growing well. There are some that have not survived and over the winter we shall be moving a couple of planted rows to other parts of the meadow. So there will be a call for volunteers, do week days or weekends work best?

Always happy for people to join the group or just get involved, please get in touch.

### **NOTTON TENNIS CLUB**

Greetings everyone. Our tennis year starts in April and we have welcomed many of our past players and quite a few new ones too. Our membership is very healthy this year. We have joined the LTA which has many advantages for Adults and Juniors. We will be able to reach more potential players via its website. Details of which are displayed on our sign on the court fencing at the Tennis Club.

Our web site address is. <https://clubspark.lta.org.uk/nottontennisclub>

New members are welcome as always at any time. The start of the subscription year in April is a good time to take up tennis from scratch or to return to the game having played in the past. We would welcome any new members to join the committee and maybe take an active part in running the club as we have had a few retirees. Some of our new members who have just moved into the village or the surrounding area are attracted by the fact that we have social tennis four mornings a week which is quite unusual in the area. Mixed doubles social tennis is played on Monday, Wednesday and Friday mornings from 9.00am. Ladies doubles social tennis is played on Thursday mornings from 10.00am. We also have social tennis on Tuesday and Thursday evenings and Saturday afternoon. We have formed a Whatsapp group for interested players.

The courts are often free at other times when arranged singles or doubles can take place. Visitors are always welcome but would need to be signed in by a Full or Associate senior member of the Club and a small fee is payable. Simply turn up with a racquet, suitable footwear and clothing and give it a try.

As I write the courts have been cleaned and we are waiting for a date from the contractors who will paint the courts.

Both courts and the surrounding area are looking very smart and well cared for at the moment. Thanks to Ed, the gardener. The gate padlock code will be changed periodically. Fully paid up members will be

**SUPPORT YOUR VILLAGE SHOP AND POST OFFICE!**

advised of the new code on receipt of their subscriptions.

Junior members have priority on Friday evening and Saturday morning but they can play at any time if the courts are free. Juniors are permitted to bring guests when accompanied by a Full or Associate member of the club and a small fee is payable. They cannot use the Club House without supervision by a member.

Coaching is available at The Wakefield School of Tennis run by Dwight Brown for the coaching of Juniors. Private coaching may be available by arrangement for both Juniors and Seniors at other times. He can also advise with regards to adult coaching at West Yorkshire Sport and Tennis Club.

If interested then please contact Dwight direct at: [info@wakefieldschooloftennis.com](mailto:info@wakefieldschooloftennis.com)

Membership forms are available on the Notton Village Hall website or from the Secretary, Janet Pratt at [janet.t.pratt@talktalk.net](mailto:janet.t.pratt@talktalk.net)

The membership rates approved at the AGM held in January 2023 are as follows:

Seniors £65, Students £22, Juniors £17.

Membership fees are now payable via direct debit or credit/debit card through the web-site. Alternative arrangements for payment may be arranged at the discretion of the Club Treasurer, who can be contacted at [drandrewlegg@hotmail.com](mailto:drandrewlegg@hotmail.com).

### **NOTTON SPORTS and SOCIAL PAVILION**

New residents continue to arrive in Notton so it's worth saying this again. I've been surprised how many existing residents have said they did not even know we hire out the Sports Social Pavilion as we do our halls so I'm aiming to put this right!

The Pavilion is situated behind the Village Hall, Tennis courts and Club House, adjacent to the Sports Field. It opened officially in June 2019 and is a bright, modern and welcoming space, available to hire at reasonable rates. It is ideal for smaller numbers (seating 25/30) or more intimate gatherings, parties, private functions, or for social or corporate meetings or classes.

It has been used for Police PACT meetings, various village committee meetings, christening parties, birthday parties, wedding showers, craft sessions, music practice sessions, business meetings, seminars, and a funeral wake; it's very versatile!

You can find more detailed information on the website [www.nottonvillagehall.uk](http://www.nottonvillagehall.uk) (under "Facilities" page) but to book, or to see if a certain date is free, just email Darrel Cartwright on [nvh.hire@gmail.com](mailto:nvh.hire@gmail.com). Alternatively, you are welcome to view the Pavilion by appointment so please do get in touch if you'd like to see more.

Thank you

Darrel Cartwright

## **NOTTON GOLF CLUB**

We have had the Masters and the Open Championship so the next highlight of the golfing year is Notton Golf Day on Thursday 26 September at Wakefield Woodthorpe Golf Club.

A fun day of golf, open to any Notton parish resident of any ability with refreshments served at the half way house and returning in the evening with partners for dinner served at 7, and few games followed by a glittering awards ceremony.

## **Did You Know?**

The Village Green has not always been as it is now. In the past it was rough scrub and uncultivated: part of it was the Pinfold, where straying livestock would be penned up - to be released only after the owner had paid a fine to the Pindar. One of the old gateposts is still standing. I have the original authorisation to John Housecroft as Pindar to "impound any horse, mare, gelding, bull, ox, cow, heifer, steer, calf, mule, ass, or sheep found unaccompanied on the highways", at a charge to the owners of five shillings. Part of the area was used as a dump for roadmaking materials: indeed there are records in the Parish minutes of the West Riding Surveyor being asked to tidy them up!

At one point the landowners (the Woolley Estate) were asked if they would allow a Village Hall to be built on the Green, but nothing ever came of this suggestion.

Then in 1966 Mrs Kidson, who had bought some of the farmland around the village when the Woolley Estate was sold off, gave the Parish Council permission to "carry out such work as may be deemed necessary to level and beautify the lands known as the Green", and thereafter maintain it. In 1974 she had the land registered as Village Green.

The Parish Council had the land levelled, using spoil from the housing development at Manor Close, and seeded: the work was finally completed in 1972 with a community stone-picking. The first Gala on the Green was held in 1975.
